

Å Mad day at the zoo – worksheet A

1 Look at your picture carefully for a minute. It shows a mad day at the zoo. Do not let your partner see your picture.

2 Your partner also has a picture but there are twelve differences between his/her picture and yours. Talk to each other to find the differences and circle them on your picture. Use the present continuous.

Å Mad day at the zoo – worksheet B

1 Look at your picture carefully for a minute. It shows a mad day at the zoo. Do not let your partner see your picture.

2 Your partner also has a picture but there are twelve differences between his/her picture and yours. Talk to each other to find the differences and circle them on your picture. Use the present continuous.
